## Internship and Certifications

### Astuch | Web Developer Intern

August 2023 - September 2023

This internship programme has provided me with the opportunity to learn new technologies, work on a variety of projects, and collaborate with live projects. I was able to apply my knowledge and gain hands-on experience. This experience helped me to develop my problem-solving skills and gain confidence in my abilities. I also made many friends and connections through this internship.
